

## **Preventive fire-fighting regulations**

**Dear guests!**

### **Please observe the fire safety rules.**

- Leaving the room, do not forget to turn off the TV, radio, air conditioning, lighting lamps and electric heaters.
- Do not cover the included floor lamps and table lamps articles made from combustible material.
- Smoking in the building is strictly prohibited.
- Do not store explosive substances and materials in the room.

### **In the event of a fire in your room:**

1. Immediately report the incident to the fire department by phone "9.1" with a local phone number or "112" - a mobile. In case if eliminating the fire focus is not possible, leave the room and close the door without locking it.
2. Be sure to tell an administrator about the fire or other representative of the hotel.
3. Leave the dangerous area and proceed as directed by the administration or the fire department.

### **In the event of a fire is out of your room:**

1. Immediately report the incident to the fire department by phone "1.9" with a local phone number or "112" - a mobile.
2. Close doors and windows before leaving your room; leave the building.
3. If the corridors and stairwells are smoked and leaving the room is not possible, you need to stay in your room by opening windows wide. Closed and good door seal can permanently protect you from dangerous temperatures. To avoid smoke inhalation, close the gap and vents water soaked towels and bedding.
4. Try to communicate by phone, "212", "213" - the administration of their whereabouts.
5. On firefighters arrival go to the window and made a sign to help you. You can wait out the fire on the balcony or in the lodge, and need to shut the balcony door.
